COMMON COUNCIL.

A special meeting of the Common Council was held Saturday night.

The president called the board to order a few minutes before eight o'clock and stated that this meeting was called to consider a report of the finance committee in the matter of the city debt, and such other business of importance as might be brought before it.

The finance committee reported favorably on the ordinance authorizing the negotiation of a loan of \$100,000 for a period of four months at a rate not to exceed 4 per cent, this money being needed in the refunding of the city debt. The ordinance had passed the Board of Aldermen April 21. Mr. Leadbeater moved that Council concur in the action of the Board of Aldermen and on roll call this was done, yeas 10, nays 0.

An ordinance to amend certain sections of the ordinance authorizing the new bond issue came in from the Aldermen, having been referred by that body to the finance committee. Mr. Uhler asked if these provisions were not in the original ordinance and was informed that some slight additional legislation had been found necessary. The action of the Aldermen was concurred in and Council then adjourned after a session of but a few minutes.

DEATHS AND FUNERALS.

Mr. Jas. E. Phillips, an old and well-known resident of this city, died last night at the home of his daughter, Mrs. Richard McManis, 1318 Duke street. The deceased was a bricklayer by occupation, and was a son of the late James Phillips. He leaves a wife and several children.

The funeral of the late Joseph I. Grehan, who died at his home in Fairfax county last Friday night, took place from St. Mary's Church yesterday afternoon. Father L. F. Kelly officiated and the interment was in St. Mary's Cemetery.

The funeral of the late Mrs. Bessie Ridgeway, wife of Mr. Norman Ridgeway, who died Friday night, took place yesterday afternoon at Lincolnia, Fairfax county.

The funeral of the late Charles M. Griffin took place from the residence, on north Pitt street, this afternoon. The funeral was attended by members of the Friendship Veteran Fire Association, James W. Jackson Council, J. O. U. A. M., and Perseverance Tent of Rechabites. The pallbearers were selected from these organizations. The services were conducted by Rev. Father Kelly, Past Representative Ernest R. Byer, of Patrick Henry Council of Richmond, conducted the ceremonies in connection with the Junior Order of Mechanics.

ELECTED QUEEN.

After a contest extending over several weeks Miss Marie Fannon, daughter of Mr. Thomas Fannon, a well-known business man, came out victor in the vote for "Queen of the Carnival." The polls closed at ten o'clock on Saturday night and Hotel Fleischmann, where the votes were counted, was a beehive of animation, each person anxious for the success of the one for whom he had voted. Not until past midnight was the vote announced and it was received with manifestations of approval. The following is the official vote as announced:

Miss Marie Fannon 43,648

Mrs. P. Von de Westlake 37,890

Miss Whitehead 22,971

A. D. Montier 3,734

Miss Marie Drew 3,644

Caroline Wedelburn 1,647

A SUGGESTION.

During the present week Alexandria's floating population will be augmented considerably and numbers of questionable individuals will doubtless mingle in the crowds which will gather in the streets. It is believed that the advance guard of crooks is already here. Chief Goods with his regular force of policemen and the ten extra men who will perform duty until May 3 will do everything possible to round up all suspicious persons, but it is suggested that housekeepers be on the alert also, and when it is necessary for them to leave their homes they see that doors and windows are secured.

UNABLE TO AGREE.

After deliberating four hours a jury in the Corporation Court Saturday afternoon announced its inability to agree in the case of T. C. Roderick, indicted for embezzlement from the Alexandria Electric Light Company, of which he was formerly superintendent. The jury was then dismissed by Judge Harrison, of Winchester, who presided. The case was begun Friday morning. It is reported that there were eleven for acquittal and one for conviction. Roderick was tried on another indictment about two weeks ago, when the jury returned a verdict of not guilty.

FIRE LAST NIGHT.

At 9:40 o'clock last night locomotive whistles at the Southern Railway depot in this city sounded an alarm of fire, and almost simultaneously a bank of light spread over a portion of the western sky. It was at first supposed that freight cars were burning and that a disastrous conflagration would follow. The flames, however, had burst from an oil and tool house a short distance west of Payne street. The fire department was soon at work and in ten or fifteen minutes' time had effectually extinguished the flames. The loss was small.

POLICE COURT.

[Justice L. E. Thompson, presiding.] The following cases were disposed of this morning:

Daniel Cook, colored, charged with drunken and disorderly conduct, was fined \$5.

Clarence Wilson, charged with stealing clothes from Frank Carey, was fined \$10.

A colored man, owner of a horse which had been found roaming at large in the streets, was fined \$2.

AMUSEMENTS.

Amusements will be king this week and reign with might. From every corner in this city will come the cry "Come in and see the big show." While this is true of who have concessions for the carnival it will be remembered that there are houses which are with us always. The Opera House will start the week with one of the largest shows in vaudeville ever presented. Extra effort has been put forth by the management to obtain a good show this week and the programme announced will convince all that this is true. A great time is promised all who come out tonight. Matinees all the week.

The Surprise Theatre will give a matinee every day this week from 2 to 5 so every body will have a chance to see the fine show given by this house Home-Coming Week. On Monday, Tuesday, and Wednesday there will be Martin and Langdon, J. J. Jones, Cortez and Ed Lawrence, will be seen in the high class acts, together with 2000 feet of new motion pictures. Change every day. On Thursday, Friday and Saturday we have Frank and Della Williams, Bessie LaMont and Zano.

The Alexandria Amusement Company after its experience of Saturday night will have to consider the proposition of enlarging their building as the crowds were immense. Tonight they start the week with one of the best lines of talking and moving pictures ever seen in this city. Matinees every day this week.

COLORED WOMAN CUT.

Julia Cheeks, a well-known colored woman of this city, was seriously cut about 12 o'clock Saturday night by a colored man, said to be Charles Smith, who managed to escape after the assault. The woman's screams brought Lieutenant Smith to her assistance and he brought her to the station house. The lieutenant succeeded in staying the flow of blood from the woman's wounds until the arrival of Dr. Warfield. The latter found she had been stabbed in the right arm, the left breast and in the back. The doctor took sixteen stitches in the wounds, after which the woman was removed to the Alexandria Hospital. She returned to her home last night. The police are searching for Smith.

CONDITION SERIOUS.

The condition of Mr. George Stender, of Fairfax county, who was injured by a collision between a team and an electric train on King street, near West, last Saturday afternoon, is serious. He is still at the Alexandria Hospital where he passed a restless night. He is being attended by Dr. Smith. He has a large lump on the back of his head and a cut over the left eye. It is feared that his skull is fractured. This is the second collision that has taken place recently between electric trains and teams. Mr. Robert Binder having been seriously injured at Duke and Royal streets two or three weeks ago.

WEDDING.

Mr. Walter M. Donnelly and Miss M. E. Stoutenburgh were married in St. Mary's Church this morning. The ceremony was performed by Rev. Father Kelly. The groom was attended by Mr. James Edward Shinn and the bride by her sister, Miss Annie Stoutenburgh. The bride was given away by her brother, Mr. T. A. Stoutenburgh. The immediate relatives of the contracting parties together with a few intimate friends witnessed the marriage. After the ceremony at the church Mr. and Mrs. Donnelly left for a trip in the north.

FINISHES CONTRACT.

Mr. F. J. Lightfoot, a young plumber and gasfitter of this city, has just completed a building for the Hopkins Candy Company, at Manassas, Va. The building is four stories high and occupies a square of ground. After the work of plumbing and gasfittering was completed, Mr. Hopkins congratulated Mr. Lightfoot and gave him a high recommendation for the quality of the work performed.

CIRCUIT COURT FOR COUNTY.

Judge J. B. T. Thornton, presiding. E. C. Fritter vs. Washington-Southern Railway Company, a damage suit, removed to Circuit Court of Alexandria city.

Some friction between persons engaged in erecting carnival booths and certain merchants was in evidence this morning, the latter objecting to having the structures in front of their places of business. The committee on streets, however, who examined into the matter, managed to bring about a reconciliation.
